

## Leased Chromebooks

**For those that are LEASING AGAIN AND STAYING AT ABJ FOR NEXT YEAR:**

School will collect chromebooks AND power adapters. Please return to the Library beginning Tuesday at 8:30am. Library will be open each day from 8:30-3:30 for returns. The Chromebook will be marked with the student's name and will be re-administered to student for next school year.

**For those that are NOT leasing again:**

Please hand in the Chromebook with the adapter to the Library.

A visual inspection will be performed to ensure the screen is not broken, and there aren't any missing keys or other damage. Students will be charged for any damages.

**If a student fails to return a Chromebook they will be charged \$120.**

**If a student fails to return a power adapter they will be charged \$40.**

If you have elected to buy-out the leased Chromebook for \$120 AND have made the payment on Powerschool or to the school this does not apply to you. If you still WANT TO BUY THE CHROMEBOOK FOR \$120 – see the school immediately on Monday.
