[ADD event to my calendar](#)

The annual event, co-ordinated by EIPS in conjunction with the [Educational Liaison Association of Alberta](#), is one of the largest of its kind in the province— bringing together numerous colleges, universities, technical and private vocational schools, and career displayers.

Along with their parents, students in grades 9 through 12 from EIPS and surrounding school divisions are welcome to attend. Browse vendor booths, ask questions about admission processes, examine future career trends and determine high school requirements for specific programs.
