*"I know in whom I place my trust" 2 Tim 1:12*

Beginning today is the opportunity to voice your opinions regarding your child's school and how it serves its students, staff and community. You are invited to participate in the confidential [Elk Island Catholic Schools Parent Assurance Survey](#). The survey will remain open until Friday, December 22 and only takes about 10 minutes to complete.

It is important to have 100 percent participation in the survey so that we can best identify what is working, as well as what the current challenges are. Your responses to this survey will be invaluable in guiding the direction of your child's school.

The survey is available to you via the website link below. Your individual responses are completely confidential.

In the spirit of making the survey as easy and quick to complete, we have provided the option to do one survey for all of the schools your children attend. However, should you wish to complete an individual survey by school, please click the link below and only select one school. You can use this address (<https://www.surveymonkey.com/r/eicsparent18>) to do surveys for the other schools.

Thank you for your participation.
