When you arrive please enter the front doors and proceed to the main common area. You will be greeted by members of ABJ Student Leadership. Please ask students to **not bring any valuables they could lose or misplace.** We want the experience to be very positive.

If there are student questions that you could provide us prior to the visit, we can ensure we have the answer when the students arrive. One thing that is very consistent that we would like you to communicate to parents is they **DO NOT need to go on-line to register with EICS** their registration transfers over automatically. The course selections will be completed in March when we visit your school.

If you can please make sure to post in your newsletters and communications home:

“ABJ Open House is on Wednesday, February 28 from 6:30-9:00pm

All are encouraged and welcome to attend!”
