Attendance Requirements – What is expected of you?

****Full attendance** in Summer School courses is mandatory. Each day of Summer School is the equivalent of one week of class during the regular semester. Due to the already abbreviated and rigorous nature of Summer School courses, no provisions will be made for missed classes, or for the late start or early release of the student due to holiday plans, sporting camps, doctor, dental, job interviews etc. Students are expected to attend every class as scheduled and to be present on the last day of class to write the final. **Final exams will not be rescheduled.** If you cannot commit to Summer School calendar, and the Diploma Exam Dates for any grade 12 diploma courses, please do not register as refunds cannot be given.

Inclusive Learning Supports

Please note that because Summer School is not a mandatory program, and is a program of choice, due to the accelerated nature of instruction, fast pace, and longer school days, there are no Educational Assistant Supports put in place for Summer School. If you have an Individual Support Plan (ISP), please contact the Collaborative Response Coordinator at your school to assist in determining if general classroom accommodations and a quicker pace of instruction match the recommendations for success set out in your ISP.

Registration & Payment

- All registrations must be completed using the EICS PowerSchool Parent Portal. All fees will be posted there and must be paid prior to June 28, 2019. There will be no changes made to student timetables after June 28, 2019. Registrations will be locked.
- **New** this year is a “**course waitlist**”. Students wishing to register for a course, and if it FULL, will be placed on the waitlist in the order in which the registration was received. The Principal will contact you if a spot opens up. Please note: You cannot be put on a waitlist and be registered in a different course concurrently; PowerSchool cannot dual enroll. If you are on a waitlist for a course in Term 1 and then chose to register in a different course in Term 1, you will have been dropped from the waitlist.
