## Scot's Week at a Glance

February 3 - 7

### Parents and Students Info:

- As of Monday, February 3 Enforcement Services will be out in the lot issuing warnings to anyone who is parked in the pool lot without registering their licence plate. As of February 10, they will issue tickets which cannot be revoked.
- Please take the opportunity of a new semester to begin with the right mindset with your courses - attendance is crucial - please be on time and be prepared!
- PEP sessions this semester will run again starting Feb 12th. Our data shows that students who are using PEP sessions are often out performing their peers academically. If you are serious about your academics, take advantage of this time to work with your teacher or get important school work completed. PEP is a learning opportunity, but you need to take it!
- We are looking for parent volunteers to help supervise the Freeze the Moment Dance on February 13, either in shifts from 5:30 p.m. - 7:30 p.m. or 9:30 p.m. Please contact Mrs. Boake at [Jaimee.Boake@eics.ab.ca](mailto:Jaimee.Boake@eics.ab.ca) if you are available and willing to help.
- School policies are [here](#) - please review.

# Archbishop Jordan High School is hosting Professional Development Session for Parents and Staff!

Join us for a **FREE** evening with

780-467-2121 ext 1190

### Have You Heard About Vapes & Vaping?

Even if you haven't, there is a pretty good chance the young people in your life have and many of them believe these products are harmless. Vaping has only been around for just over 10 years in Canada, but despite this relative newness, we are learning more and more about these products as a result of ongoing research globally. We will explore new information about what's being learned about short term health impacts and the chemical make-up of the vapour being produced. We'll discuss how you can recognize if your son or daughter is vaping, and how to talk to them about it.

Congrats to the ABJ Jr Boys who took gold at Cold Lake this weekend by beating Lloydminster! Also congrats to the Jr Girls who finished 4th at SAL! Thank you coaches for all your hard work this weekend!

Members of ABJ's Creative Writing Class had an excellent time at their Cafe Celebration, Finding the Write Words, on Wednesday, January 8. Generously hosted by Cafe Haven, students had the opportunity to share some of their writing with family, friends, and cafe patrons. Students are working on finalizing their anthology which can be ordered by contacting Mrs. Boake or will be available for sale at Open House.

### **Creative Writing Class Cafe!**

Members of ABJ's Creative Writing Class had an excellent time at their Cafe Celebration...

Every year our ABJ junior girls basketball team participates in a community service project. In the past, we have assisted in a variety of ways including visiting Boyle Street, Hope Mission, Strathcona Food Bank and making sandwiches for the Mustard Seed. We feel it is important for our players to be leaders for our school by giving back to the community in some way shape or form. This year, the girls worked diligently to prepare numerous Valentine's day cards to be sent to Veterans Affairs Canada. These Valentines are then sent to various long-term care facilities across the country and distributed to Veterans on February 14th. We are so proud of the team's wonderful work, especially their enthusiasm and excitement as they willingly began their many hand made creations. Thank you to coaches Bilyk and Rocque for organizing this outstanding project!
