Student Parent/Guardian Information

- Parent teacher student conferences are on Thursday! The sign up for the website is on <https://www.schoolinterviews.ca/code?code=ckdsm> Event code: ckdsm
 - Opens Monday at 4:00 p.m.
 - Interviews are not in person, but via Google Meet (or phone call if needed)
 - *Please note that interviews via Google Meet should be online via the internet because if you dial into the Google Meet on your phone you will incur long distance charges that the school will not reimburse. If you prefer a phone call, your teacher will call using a local phone number from the school. Thanks.*
- Welcome to our AFX student teachers who begin Oct 5th and our IFX student teachers who visit on Oct 9th.

- Are you interested in spending a year in another country, not just travelling but actually living there? The Rotary Club of Sherwood Park is looking for students to do just that. As part of Rotary International's youth exchange program, you could join thousands of students who will spend the next academic year in a foreign country. This is your chance to learn a new language and truly experience another culture. Interested students and their parents can reach out to Angela Wood at 587-879-8775 or angela.wood@hotmail.com
- Effective September 28th, we will be charging students \$1.00 for replacement disposable masks. Every day, we are giving out boxes of them to students who forget their masks. Hopefully, this deterrent will help them to remember to bring their mask. Thank you for reminding your child to bring their mask to school and to wear it.

- Students, please ensure you request your Student Parking Tag so you do not get ticketed by the bylaw officers. Now that school has been in for 3 weeks, they will begin looking for tags. It must be displayed in your vehicle to park in student parking. Simply go to our ABJ website and fill in the Google Form link, found on the front page. Then pick up your tag in the office. \$2 will be added to your school fee account.
- Concordia Virtual One-On-One's are taking place Monday in the AM. Head to Student Services at your specified time slot if you signed up!
- School fees are due 30 days after assessment. Please login to your parent PowerSchool portal to pay online. If needed, you can set up monthly payments in the same fees areas. Call the school office if you require any help.
