ABJ's Tobacco and Vape Policy

In an effort to ensure we have a safe learning environment for all students and staff, ABJ students not permitted to possess or use tobacco or vape (e-cigarette) products on school property - this includes the school, as well as busses, parking lots and the area around the school. Students who are caught using or in possession of a vape product or tobacco will receive a 2 day suspension for a first offence. For students who are guilty of continued offences of this policy may receive additional consequences. In addition, any tobacco or vape products will be confiscated and destroyed by school staff. Students who continue to violate this policy may be charged by the RCMP with disrupting the proceedings of a school as described in the Education Act.

Note: The use of tobacco for Indigenous ceremonies will be permitted when organized and supervised by staff.
