## 2022-2023 Registration and Graduation Planning

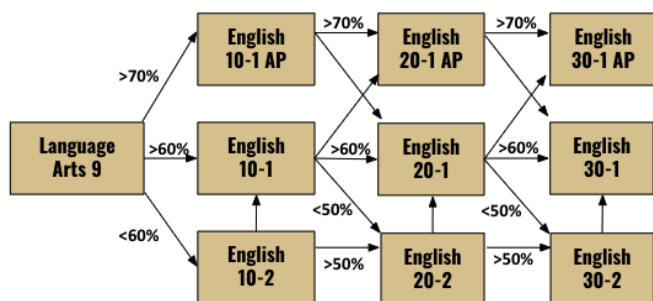

Use the information below to complete the Registration and Course Selection for Grade 10, 11, or 12 on the next page.

### High School Program Sequences

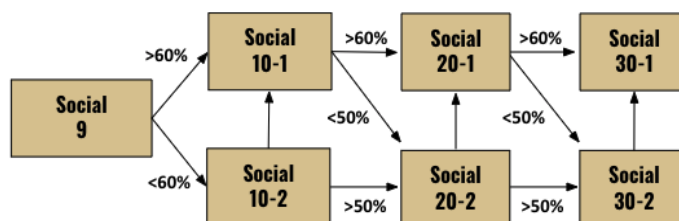

#### English Language Arts

- Minimum requirement for High School Diploma is English 30-1 or English 30-2.
- English 30-1 is required for most post-secondary studies.

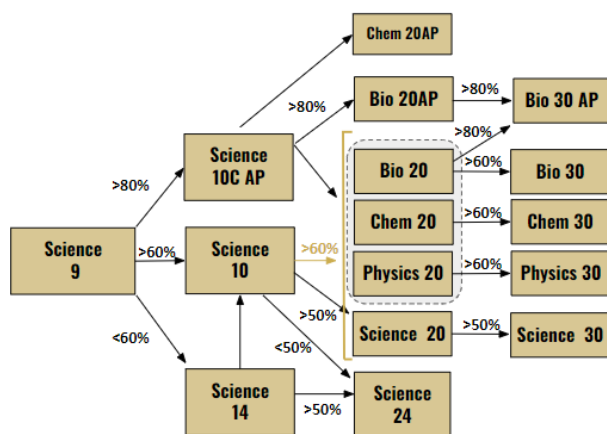

#### Social Studies

- Minimum requirement for High School Diploma is Social 30-1 or Social 30-2

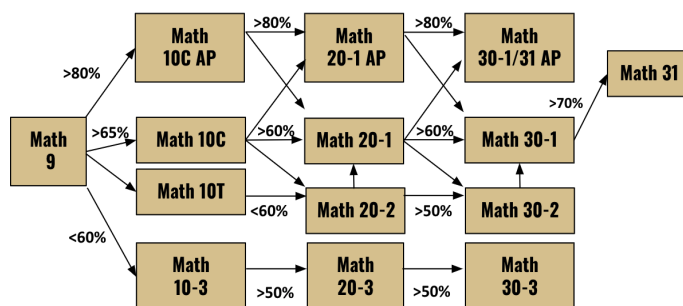

#### Sciences

- Minimum requirement for high school diploma is 20-level Science.
- Science 30 is accepted by many post-secondary faculties.

#### Mathematics

- Minimum requirement for a high school diploma is a 20-level Math.
- Many post-secondary programs accept both Math 30-1 and 30-2. Check with your post-secondary faculty of choice to see which course is relevant.
- Math 10T allows students who find Math more difficult the time to develop competencies and to be successful.

**Students must also complete 9 credits of Catholic Religious Education Courses (15-25-35) to qualify for ABJ Grad Activities.**

\* Earn a Certificate of High School Achievement when you complete 80 credits in a combination of K&E and other courses.

## Timetable Expectations

### GRADE 10 Students

- Students must have a full timetable with no spares, 8 full blocks of time must be scheduled. Exceptional circumstances where a student has completed a summer course or is taking courses off-schedule (eg. early bird PhysEd, Tech Theatre) will be considered in consultation with grade-level administration.

### GRADE 11 Students

- If you have completed 40 or more credits from grade 10, you can register in the courses that you require for graduation and that meet your individual post-secondary plans (no minimum requirement)
- If you earned less than 40 credits, you need to register for a minimum of 35 credits

### GRADE 12 Students

- If you have completed 70 or more credits from grades 10 and 11, you can register in the courses that you require for graduation and your individual post-secondary plans (no minimum requirement)
- If you have less than 70 credits, you need to register for a minimum of 35 credits

## Planning Your Schedule

- Our schedule is made up of **8 full blocks of time, 4 per semester**. **F** indicates a full block of time, **H** indicates a half block of time.
- All core/language courses take up a full block of time (F) and are 5 credits (Cr) unless otherwise indicated in brackets after the course listing.
- Full year courses take up 2 full blocks of time.
- English as an Additional Language students will have additional EAL programming, Reading Strategies courses, or both scheduled for them as required to serve in assisting their language development. This programming will also provide social engagement opportunities and foster connections with peers in a language-rich space.
- Applicable course fees are associated with many options. See the ABJ website for this year's course fees as a reference. Please note that next year's fees may differ slightly.

### Course Selections

Students should enrol in a well-rounded and complete program. Because we are a full-time school, students should take the courses that they require, then choose option courses to complete their program of studies. Students should choose carefully as course selections determine scheduling of courses. **Changing courses once the schedule is set may not be possible.** Repeating failed courses in the second semester of the next school year may not occur because planned classes are not available. Students must have pre-requisite courses and prerequisite grades for all courses they select. Course selections will be based on Semester 2 marks. However, should your mark improve over the course of the term, course changes should be made prior to the end of the year.

**Please provide your marks from your core courses of your current grade level, including current grades if in progress.**

## Complementary Courses

From the complementary courses below, students must choose options that they would like to take by placing an **X** in the shaded area.

- **Most option courses take up a half block of time (H) and are 3 credits (Cr); exceptions are indicated in brackets after the course listing.**
- **Grade 10 students must choose at least two alternate option choices.** Mark these with an **A** in the shaded area. These will be used only if there are scheduling conflicts with your primary selections.
- OS means that courses are running Off-Schedule, outside of our regular timetable, either before or after school.
- Many options will have applicable course fees. All course fees are available for viewing on our school website.
- For thorough option details and descriptions, please see our website <https://abj.eics.ab.ca/>. In the Menu under the Student tab, you will see the 2021-2022 Student Handbook (this will be updated soon). All information is accessible there.
