

# TECHNOLOGY IN EDUCATION

## A Presentation about the One to One Initiative

This presentation is about the one to one initiative that will begin next year at our Sherwood Park and Strathcona County Schools in grades 4-12. Students will be offered the opportunity to bring their own device to school, or lease a Chromebook for the year. This initiative will greatly increase student access to technology and assist teachers in creating a 21<sup>st</sup> century learning environment in their classrooms.

This presentation is open to any parents/guardians who will have students enrolled in grades 4-12 next year, as well as interested members of our community.

**Tuesday, April 19<sup>th</sup> @ 6:30 p.m.**
