We are now in the liturgical season of Advent. You will notice our cross above the school will shine purple to match the liturgical season.

As we enter the Second Week of Advent, our thoughts should be turning more and more to the coming of Christ at Christmas. As we move on to the second candle on our Advent wreaths, our sense of expectation increases, as does our recognition of the fact that we are preparing, not only for the first coming of Christ that we will celebrate in a few weeks, but for his second coming at the end of time.
