ABJ Week of January 16 - 20

"Altar'd in Faith" ...

- **Student vehicle parking passes can be purchased at the office for the remainder of this week.** Vehicle placards will be required effective January 9, 2017. The cost is \$2 per parking pass. This will allow parking in Lot B and D. We will also require the license plate number and a description of the vehicle. **Enforcement will begin this week with ticketing.**
- Just a reminder that Friday Jan 13 will be the last day to book computer/chromebook carts for classroom use. We will have 15 chromebooks available at the librarian's desk for individual student sign out but not for class sign out. Computer carts are available if you need them for field tests and are using secured logins.
- The message to your students is to come to your class with their own device. There will no doubt be some speed bumps but your diligence here is appreciated. We can still lease out chromebooks through the district, and students also have the option to eventually own these on a buyout program (see attachment). Teachers have been instructed...if you have individual students that are just not buying in, feel free to contact administration and we will speak with them.
- **Students taking an E Campus course this semester, should see Mrs. McGhan in the E Campus to arrange their distance learning exam or find out about their course deadline.**

During exam week, the chapel will be open each morning for students wanting to sit quietly and focus / centre themselves on being relaxed for their exams. It is suggested students arrive by 8:30 to be best prepared for exams. We encourage students to eat a healthy breakfast, hydrate well with water, and get a good night's rest (as opposed to cramming all night). Be sure to bring a pencil and any other necessary items required for your exams.
