ABJ Week of February 20 - 24

“Altar’d in Faith” ...

- A meeting was held with all Grade 9 and 10 students regarding the relationship we have with our community partners – local area businesses, County buildings and local home owners. Clear expectations were shared, especially regarding trespassing, proper behaviour, vaping / smoking and the rights of owners to detain suspects of theft or illegal behaviour. Please have a discussion with your son/daughter in relation to the respect of the individual, the school and the area we occupy and share with others. The majority of students are very respectful and it is appreciated
- Diploma marks have been released from January writing – check MyPass for grades
- Kind reminder - the message to **ALL students and ALL staff** is to come to class with **their own technology – chrome book, lap top or tablet (see the 1:1 document attached)**

Last week the R.E.A.L Foundation supported our students and staff by bringing in a great guest speaker, Chris Padgett, a speaker, musician and author to share his perspective on Christ’s love and forgiveness. He left us with the message that **“God’s plan is exactly what you need to see and believe so that you can know everything is going to be OK.”**
